Dear Hiring Manager,

I am writing to express my interest and enthusiasm in applying for the Full-Stack Developer position, as advertised. With a Bachelor's degree in Computer Software Engineering and over four years of hands-on experience in the field, I am confident in my ability to contribute effectively to your team.

My expertise spans a wide array of technologies including HTML, CSS/SASS, Bootstrap, JavaScript, React.js, Next.js, Node.js, Express, Java, Kotlin, Spring-Boot, MongoDB, PHP/MySQL, Flutter/Firebase, as well as Static Site Development using Gatsby and Jekyll. This extensive skill set enables me to tackle diverse challenges in web and mobile development with precision and innovation.

Moreover, I have a proven track record of reviewing websites and applications, offering valuable insights for enhancement and optimization. My dedication to continuous learning and implementing best practices ensures that I stay at the forefront of industry trends and advancements.

I am eager to bring my passion for development and commitment to excellence to your company. I am available for an interview at your earliest convenience and have attached my resume for your review. Thank you for considering my application. I look forward to the opportunity to discuss how my skills and experiences align with the needs of your team.

Sincerely,

Obaid Ullah
